Agenda

- Review of current status of waitlist
 - 14 households on DV list, 158 in emergency shelter, 7 recently referred to RRH, 1 PSH household enrolled this year
 - Due to technical issues, no one attending the meeting had this form prepared coming into the meeting
- Outcome Reports
 - Will no longer happen in the way that they previously did. Instead, information will be pulled directly from HMIS and DV information will come from the google sheet. Any other information kept outside of HMIS will be gathered from the CE Lead
- Group Work Planning
 - Accessing Housing
 - Our next meeting will allow for discussion of housing and access in the PRC. We will discuss solutions to the challenges that we have and come up with action plans that can be discussed in shelter in the efforts of improving housing opportunities in your counties
 - CA Plan Updates
 - Planning to submit updated plan for review at the June steering committee
- Updates from Shelters

- Changes with Community Link
 - Most staff, including case managers and housing coordinators will be transitioning to work remotely from the office
- Meeting Participation
- Q&A
