Michelle Welsh opened the meeting. Twelve (12) new cases were reviewed. Ten (10) were approved for Rapid Rehousing with 5 being held for more information. There were a number of additional cases to be reviewed. An additional meeting may be scheduled.

Erica gave an update on the Point in Time Count to be done on the night of the 27th. Those present were asked to participate if they felt comfortable in light of the COVID 19 Pandemic and do a VI-SPDAT when possible. We were encouraged to have homeless clients reach out to the 211 center. The 211 center will act as a referral hub. The count may be conducted differently this year by using the numbers of homeless being sheltered or assisted by local agencies.

The referral process and funding within the group was discussed. EIC requested to be added to the NC Cares 360 link. Here referrals from all agencies are at the central 211 hub.

The next meeting will be held on January 27th, 2021.
