Agenda

- **Welcome and Introduction of Staff**

- **Coordinated Entry Access Documents**
 - NCCEH is creating a resource document in English and Spanish for the public to access. This document will include resources that provide detailed guidance for people seeking services. This document is proposed to work as a streamline process for individuals in the community seeking services.
 - Contacts for the NCCEH resource document were approved by organizations in attendance at the last CC meeting (02/17).
 - Email Teresa (trobenson@communitylinknc.org) if you have any agencies that should be added to the resource document.

- **RRH Opening**
 - There are currently nine Rapid Re-Housing openings.

- **Case Conferencing**
 - Previously VISPDAT score as well as other various factors were used to evaluate the priority of a household during Case Conferencing meetings.
 - Consensus was that a comparison list between varying agencies, specifically the VA might be helpful in this process.

- Teresa will be emailing prioritization information out to attendees. **A follow up meeting will occur on Wednesday, March 17th at 10:30am to discuss prioritization of households further.**
- Please email any feedback you have on the VISPDAT or feedback on the process of prioritization please email Teresa at (trobenson@communitylinknc.org).
- **Q&A**
 - The VISPDAT online does not include the veteran question. Teresa will work on updating this and will send out the correct VISPDAT to use.
 - Contact information for outreach services at the VA was sent via email by Kecia Robinson. Please let me know if you did not receive this and we will get it to you.
 - Any update information you need to get on our website please email Teresa at (trobenson@communitylinknc.org) or Meg at (Meghan.montemurro@unionshelter.org).
