

PRACC Meeting – October 28, 2021

Kim opened meeting at 11:04AM

We were waiting for Natasha Elliott to come in to begin the meeting as she is now the next in line to become the Chair for PRACC once it is voted on

Kim called Natasha but did not get an answer

We continued the meeting with Jai Baker speaking about resources for each county readily available to present to clients

Jai spoke with Lisa Worth concerning ESG Funding and the information and amounts being available to present to clients

Jai is also trying to partner Region 6 to have access to more affordable housing as most units in our area do not are not affordable

Jai was being very transparent in having conversation with the state as well as United Way in understanding what Region 6 needs to making sure our voices are heard for the people we service

We have a lot of programs, Jai did say that he would put his name in for Vice Chair if Natasha Elliott is voted as Chair of PRACC

Look for the finished product of the Resource Guide next week that will be emailed to everyone

Cathy will send McKinney Vento counselors list for the region to Jai

Meetings will be held monthly going forward
