Group Agreements

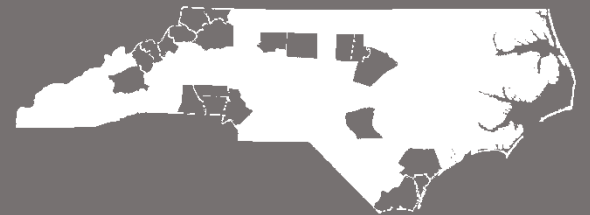

Group Agreements

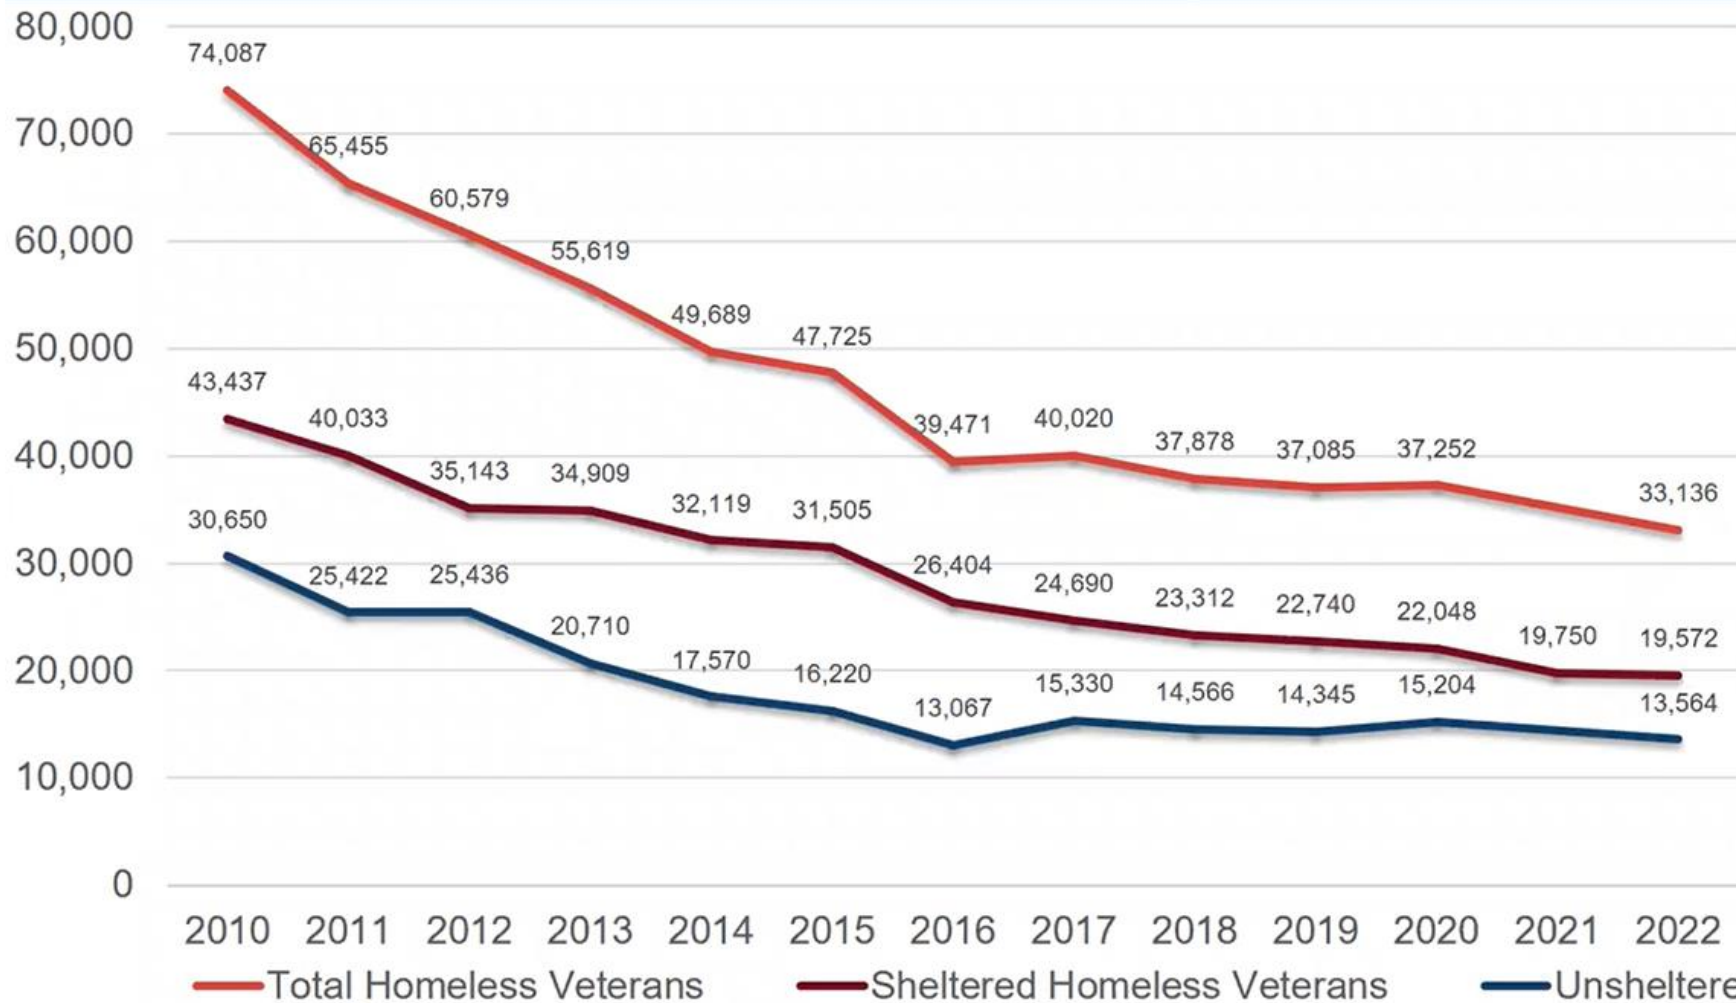

- Listen Actively – respect others when they are talking (step up, step back)
- Don't be afraid to respectfully challenge one another by asking questions
- Participate to the fullest of your ability – our collective growth depends on the inclusion of every individual voice
- Instead of invalidating someone else's story with your own spin on their experience, share your own story and experience
- Stay the whole time
- Maintain confidentiality – what is said here stays here; what we learn here leaves here
- Leave power, positionality and privilege at the door. We are all equal in this group
- Others?
