Step 2: Pre-Competition Scoring & Standards Review

Last year the NC BoS CoC designed a Pre-Competition Scoring and Standards Review for Renewal Projects.

- To make the HUD CoC Competition less hectic for renewal grantees, the Project Review Committee, and the CoC.
- To assist agencies to enhance their project's performance outside the time-restricted competition.
- To better serve people experiencing homelessness across our 79 counties.

Step 2: Pre-Competition Scoring & Standards Review

As it stands all FY2023 CoC Program Awarded Projects achieved Certification last year!

Renewal projects must submit by **12 PM on Thursday, May 2nd** via a Smartsheet link.

Step 3: Certification

As it stands, all FY2023 Renewal projects achieved certification and will not have to re-submit documentation for certification again this year.

After May 2nd, CoC staff will:

- Review your CY2023 APR submissions and use them to score the Performance Section
- Pull and Review additional HMIS reports (CH Report, SPM Returns Report) and use them to score the Performance Section
- Review your Renewal Applicant Form to complete the coordinated entry section of the Scorecard

Step 4: HUD CoC Competition

Step 4 will be launched after the release of the FY2024 HUD Continuum of Care Notice of Funding Opportunity (NOFO).

Instructions will be released after HUD publishes the NOFO. CoC Program competition materials and instructions will be posted at: <http://www.ncceh.org/bos/currentcocapplication/>.

The CoC Program NOFO officially opens the competition and defines the rules. The NOFO sets:

- Timelines
- Priorities/Scoring
- Final Funding Allocation/Tiering
- Potential projects
- CoC and project applicant requirements

Application materials will be reviewed by the Project Review Committee using the FY2024 Renewal Applicant Scorecard. Scores from the Pre-Competition Scoring & Standards Review will be added.

Step 5: Submission of Final Application in e-snaps

The due date of Step 5 will be determined by the HUD CoC Notice of Funding Opportunity (NOFO).

The Project Review Committee will score and rank all renewal and new applications into Tiers 1 and 2.

The Project Review Committee will recommend a final Prioritization Ranking List to the Steering Committee for approval.
