Approval of Minutes

- The committee reviewed the minutes from the last meeting. After reviewing the minutes, it was noted that a correction needed to be made on page 3, under the Point-in-Time Count. The last bullet should read, “*All PIT data should be sent to Talaika by February 2nd, it is due to the Balance of state by February 17th*”, not ...*February 7th*. A motion was made by Hayward Humphrey to accept and approve the minutes of the last meeting with the necessary corrections and it was seconded by Tina Rodgers.

Discussion of Meeting Locations

- There was a discussion about finding a new meeting location and two options were given. Option 1 includes keeping the meetings in Ahoskie and having a call in number for those that may not be able to travel, but would still like to participate in the meeting. The second option is to move the meetings to a more central location like Chowan County.
- The committee agreed to keep the meetings in Ahoskie and offer a call in option.
- The group came to the consensus that more people should be invited to be a part of the committee so there would be representation from all of the counties within the region.

Committee Name (Nicole Boone)
