**Agenda**

- Reminder of webinar HMIS training for how to refer clients to CA project on December 7<sup>th</sup> from 11am-12pm
  - [https://recordings.join.me/Lzdg7r\\_HHU6zgURWcOigZA](https://recordings.join.me/Lzdg7r_HHU6zgURWcOigZA)
- Community by-name list review
  - Cabarrus- 0 households to discuss
  - Davidson- we removed several households that are no longer in shelter and confirmed who was still in shelter
  - Rowan-no one present in the meeting
  - Stanly- we confirmed everyone on the DV shelter list from Esther House was still in shelter and in need of assistance
  - Union County- no one present in the meeting
- Finalizing prioritization process and procedure
  - Agency staff present discussed
- Challenges in the PRC
  - Both counties in attendance stated that the top two challenges were housing availability and transportation
    - Housing Availability
      - Identifying landlords and incentivizing them to work with our population
      - Breaking the stigma of the population to the community
      - Stanly County representative discussed a “Grounds for Business” forum held for community leaders and business leaders to foster economic growth within the county. This forum was a beneficial way for shelters and similar agencies to let the community know about the needs of populations experiencing housing insecurity and homelessness in the community. A poverty simulation was part of this forum as well.
    - Transportation for Households without their own vehicle
      - Scheduling, location and availability of public transportation limit mobility of households for jobs, services, school etc.
- PRC Community Webpage
  - <http://www.ncceh.org/box/region 5/>

**Next Meeting**

**January 9, 2019- Union County**
